

Munich East – Mühldorfstraße 8 – 81671 Munich

Welcome at Regiondo!

You reach us by train with every S-Bahn towards Munich East. Please leave the train at “Munich east” and take the exit “Friedenstraße” towards “Berg-am-Laim-Straße”. Follow the street until you reach „Mühldorfstraße“ on the right side of the road. Turn into the street and where you will find our building depicted on the image above.

If you are driving from the airport Munich, take A92. At the highway cross “Neufahrn”, you follow the signs and take the A9. Then you take the exit 75 towards “Frankfurter Ring” and keep going towards “Föhringer Ring”. “Föhringer Ring” takes a slight left and turns into “Effnerstraße”. You keep going straight on Richard-Strauß-Straße. There you make a slight right turn into “Ampfingerstraße”. There you turn to the right into “Mühldorfstraße”.

So you can reach Regiondo yourself at the reception. There we will greet you personally. We are very excited to meet you!

Greetings Your Regiondo Team
